Retake Policy

You may repeat a course in which you have received a D or F grade (including 100-200 level courses with University College authorization), in which case only the most recent grade will be included in calculating your grade point average. Departmental permission is required. All enrollments will appear on your transcript, but the symbol "R" will replace the earlier grade for a repeated course if the grade in the second enrollment is equal to or higher than the grade in the first enrollment. Course credit is allowed for only one enrollment in a given course.
