GENERAL EDUCATION REQUIREMENTS

English*: Undergraduate degree candidates in University College must complete a 6-unit Basic Writing Requirement consisting of Principles of Writing (EComp 101) and Critical and Researched Writing (EComp 203). The 3-unit Advanced Writing Requirement must be fulfilled by any 300-level or higher English Composition course. EComp 203 and the 300-level-or-higher composition course are required of all undergraduate degree candidates, and these courses must be taken at Washington University.

*A student who transfers English Composition courses from another college or university must consult an academic advisor at University College.

Humanities: (9 credits) Courses from Classics, History*, Literature, Philosophy, Religious Studies.

Social Sciences: (9 credits) Courses from: Anthropology, Economics, History*, Political Science, Psychology, Social Thought and Analysis.

*History courses may satisfy either the Humanities or Social Sciences requirements, but not both.

Math and Science: (9 credits) Biology, Chemistry, Earth and Planetary Sciences, Physics, and Science. To meet the quantitative reasoning requirement you must take one of the following: Econ 231 (Economic Statistics), Math 1011 (Intro to Statistics), Math 123 (Programming in C), Math 141 (Pre-Calculus I), Math 142 (Pre-Calculus II), Math 155 (Calculus I), Math 156 (Calculus II), Math 205 (Applied Statistics Online), Math 210 (The Art of Mathematical Thinking), Math 212 (Sports and Statistics), Math 255 (Calculus III), Math 256 (Calculus IV), any 300 level and higher math classes, PolSci 323 (Introduction to Quantitative Methods) or Psych 300 (Psychological Statistics).

Foreign Language and/or Creative Arts: (9 credits) Art, Creative Writing, Dance, Drama, Film Studies, Music, Speech and Foreign Languages.

RESIDENCY REQUIREMENT

You must complete the final 36 units of course work toward the Bachelor of Science degree at Washington University. At least half the credits for the major and at least 18 units of advanced (300-400) courses must be completed at Washington University.

MAJOR IN COMMUNICATIONS AND JOURNALISM

Core Courses (30 credits)

- U48 210 Introduction to Mass Media
- U48 211 Introduction to Journalism

- U48 370 Communications Law
- U48 416 Ethics of Journalism *or* U22 234 Business Ethics

Communications and Journalism Elective Courses (15 credits)

Students in the program must complete an additional 15 units of upper-level course work in Communications & Journalism that reflect their particular interests. Of these, at least six units must be drawn from 400-level seminars, special topics, and internships. No more than six units of internship or independent study credit may count toward the major, and no more than three units may be drawn from the one-unit special topics courses.

Communications & Journalism majors should also plan to take courses in the liberal arts fields, such as economics, history, literature, and political science.

To receive the Bachelor of Science degree, you must maintain a 2.0 GPA in all courses taken and receive a grade of C- or better in all courses applied to your major.
