GENERAL EDUCATION REQUIREMENTS

English*: Undergraduate degree candidates in University College must complete a 6-unit Basic Writing Requirement consisting of Principles of Writing (EComp 101) and Critical and Researched Writing (EComp 203). The 3-unit Advanced Writing Requirement must be fulfilled by any 300-level or higher English Composition course. EComp 203 and the 300-level-or-higher composition course are required of all undergraduate degree candidates, and these courses must be taken at Washington University.

*A student who transfers English Composition courses from another college or university must consult an academic advisor at University College.

Humanities: (9 credits) Courses from Classics, History*, Literature, Philosophy, Religious Studies.

Social Sciences: (9 credits) Courses from: Anthropology, Economics, History*, Political Science, Psychology, Social Thought and Analysis.

*History courses may satisfy either the Humanities or Social Sciences requirements, but not both.

Math and Science: (9 credits) Biology, Chemistry, Earth and Planetary Sciences, Physics, and Science. To meet the quantitative reasoning requirement you must take one of the following: Econ 231 (Economic Statistics), Math 1011 (Intro to Statistics), Math 123 (Programming in C), Math 141 (Pre-Calculus I), Math 142 (Pre-Calculus II), Math 155 (Calculus I), Math 156 (Calculus II), Math 205 (Applied Statistics Online), Math 210 (The Art of Mathematical Thinking), Math 212 (Sports and Statistics), Math 255 (Calculus III), Math 256 (Calculus IV), any 300 level and higher math classes, PolSci 323 (Introduction to Quantitative Methods) or Psych 300 (Psychological Statistics).

Foreign Language and/or Creative Arts: (9 credits) Art, Creative Writing, Dance, Drama, Film Studies, Music, Speech and Foreign Languages.

To receive the Bachelor of Science degree, you must maintain a 2.0 GPA in all courses taken and receive a grade of C- or better in all courses applied to your major.

RESIDENCY REQUIREMENT

You must complete the final 36 units of course work toward the Bachelor of Science degree at Washington University. At least half the credits for the major and at least 18 units of advanced (300-400) courses must be completed at Washington University.

MAJOR IN PSYCHOLOGY

All University College undergraduate students must satisfy the same basic-course requirements; information is in the column to the left.
