Dear University College graduating students,

Congratulations on your impending graduation! We are so proud of you.

While we are disappointed not to be toasting your successes in person, we look forward to welcoming you back to campus to celebrate at some point in the next year. We will be in touch about that.

In the meantime, we are planning a virtual recognition ceremony for University College, which will be available for you to view starting next Friday, May 15 at high noon at this link:

We hope you will enjoy it and celebrate your accomplishments. Go UC!

All the best,

Heather
