Dear University College students:

This is a reminder that all WashU students, including those in University College, will be required to be vaccinated. Records for all students will be kept online in the student health portal. Upload an image of your COVID-19 vaccination record card in your student health portal by visiting the Habif Health and Wellness Center website and clicking on the link for “Log in to the student portal.” Login is by WUSTL key. Please complete this no later than July 15.

Students may apply for an exemption on the basis of religious or medical grounds.

Please contact your academic adviser with questions or concerns.

Best wishes,
Pat
